SME Digital Odin Rashah Guraidhoo 2026

SME Digital Odin Rashah Guraidhoo 2026

"*Odin Rashah*" is a swimming competition concept developed by Swim Maldives. The idea is to jump off from an *Odi* (Dhoni or Ship) and swim ashore to the beach.

Start and Finish Point:
The *Odi* will take the participants from the island jetty and stop at 500 meters out in the sea. At the whistle, participants will jump off the *Odi* and swim ashore. The first to reach the beach wins. Start from *Odi* and finish at the beach.

Event Date: 27th November 2026, Friday

Location:, Guraidhoo Waterpark Beach, Guraidhoo

Event venue: Guraidhoo Waterpark Beach.

Categories:

Odin Rashah: 500 meter race where the *Odi* will take swimmers and park at 500 meters from the island. Swimmers will jump and swim to the island. The winners of the final (male and female) will be declared the Champion.

Odin Rashah Relay: Swimmer #1 will start from the island, swim to the Odi parked 500 meters away from the island. Swimmer #2 will be on the Odi. Once Swimmer #1 reaches the *Odi* and touches it, Swimmer #2 will jump from *Odi* and both Swimmers will swim to island to finish the race. Swimmer #1 will do two loops while Swimmer #2 will only do one.

Team Relay Categories
Team Relay Categories shall be as following:
Junior Category: total age of both swimmers is 23 or below
Senior Category: total age of both swimmers is 23 to 57 years
Masters Category: total age of both swimmers is 57 or above.
